Woodstock, CT**

860-928-2770

Transfer Station's Hours of Operation

Tuesday, Friday, Saturday & Sunday

Entry from 10am - 3:45pm

Woodstock Board of Selectmen

**D. Mitchell Eaffy
Chandler Paquette
Allan D. Walker, Jr., First Selectman**

Regulations Approved: December 3, 2015

Transfer Station Permit Information

Open to Woodstock residents disposing of household trash
originating in Woodstock ONLY.

For Safety: All loads MUST be covered and secured during transit
to prevent litter & accidents.

Where to Purchase a Permit

Town Clerk Judy Walberg (860-928-0208 x320) issues permits
during regular business hours. Annual permit renewal begins on
January 1. ***You must present vehicle registration.***

Monday, Tuesday, Thursday 8:30am - 4:30pm

Wednesday 8:30am - 6:00pm

Friday 8:30am - 3:00pm

Types of Permits Available

- Woodstock Single Family Household\$150
Residents of multi-unit dwellings must purchase a pass for their own
unit. Permit cost is half price beginning September 1.
- Woodstock Seniors (65 or older)\$75
Senior pass issued ONLY when the majority of residents generating
trash from the household are age 65 or older. Permit cost is half price
beginning September 1.
- Woodstock Business Pass\$150
Recyclables generated in Woodstock ONLY - *No Bulky, Trash, or
Brush*. Permit cost is half price beginning September 1.
- Seasonal Permit (May 27, 2016 — September 4, 2016)\$75
Not available to Woodstock campground addresses.
- One Day Pass\$15
No cost for residents with valid permits utilizing second vehicles.
Residents without valid permits must present proof of residence with
name and address, along with vehicle registration for the vehicle that
will be used. Other fees may apply.

Checks are to be made payable to “Town of Woodstock.”

Bulky Waste

Bulky waste disposal fees are based on weight — heavy loads will
cost more for disposal. Bulky items may include, but are not limited
to: a large assortment of household junk, “clean” (new, unpainted,
unused) wood, empty or dried paint cans, large toys, etc.
Construction/demolition debris (sheet rock, shingles, and insulation)
must not exceed 100 lbs. and must be in a separate container.

**Loads must be assessed by the attendant prior to dumping, or
additional fees may be charged. Payment must be made by check
payable to “Town of Woodstock” (absolutely no cash or credit
cards) at the time of disposal.** A \$15 fee will be charged for checks
returned by the bank as unpaid.

**The disposal of Demolition Material (in excess of 100 lbs.) is
restricted by the DEEP. You will need to make your own
arrangements with a private hauler for removal.**

Fee Schedule (Final fees will be determined by attendants after reviewing loads.)

(1) 30 to 55 gallon container**	\$10
(1) small pick-up truck or small trailer load	\$25
(1) mid-sized pick-up truck (1/2, 3/4 ton) or medium trailer load	\$40
(1) 1-ton dump truck or large trailer load	\$50

****Minimum bulky
charge = \$10**

Additional \$10 fee
assessed on loads that
include demolition or
construction
debris.

A fee of \$6 per item for couches, stuffed chairs, sleeper sofas (if
springs are removed) and mattresses and box springs that are not
accepted into recycling program due to extra damage.

A fee of \$15 per appliance with Freon (refrigerators, freezers, air
conditioners, dehumidifiers)

Tires

\$4 per car tire
\$6 per car tire w/rim
\$10 per R17 tire
\$16 per R17 tire w/rim
\$25 per tractor/earth moving tire

Empty Propane Tanks

\$4 for 20 lb. tank
\$6 for 40 lb. tank
\$10 for 100 lb. tank

Swap Shed

- Useable items ONLY — **as defined by attendants.**
- Vehicle loads are subject to same charges as bulky items and must see attendants before unloading.
- NO food items.
- NO broken or unstable items.
- NO computers or televisions.
- NO stuffed chairs, couches or large furniture.
- NO clothing.
- No air conditioners, refrigerators or dehumidifiers.
- NO items after 3pm on Sunday.

Brush and Leaves

- See attendant before offloading your leaves and clean brush under 3” diameter.
- No grass clippings.

Woodchips

- Available to residents in limited quantities at no charge.
- Please see the attendant.
- Must be able to load yourself.

Refundable Bottles and Cans

- Place in proper recycling area.

Paint Cans

- Unused paint should be returned to the place where purchased or to Sherwin Williams. Sherwin Williams accepts latex or oil paint cans as long as they are sealed, not leaking, and a maximum size of no larger than five gallons.
- Empty or dried latex paint cans can also be disposed of in Bulky Waste.

Mattresses and Box Springs—*No charge to permit and non-permit holders residing in Woodstock. Non-permit holders may dispose of these items on Saturdays Only and must provide the attendant with proof of residence.*

- Mattresses and box springs must be assessed by the attendant prior to recycling or a \$6 fee will be charged. (Items heavily damaged cannot be recycled-they are bulky waste.)
-

Transfer Station Regulations

All Transfer Station regulations are enforced by the attendants, and residents must adhere to their instructions.

- No entry allowed without a permit.
- Permit stickers **MUST** be affixed to driver’s side front windshield.
- Proof of vehicle registration in the Town of Woodstock is required for vehicle with permit sticker. (Tax Code #169.) All others will be issued a 30-day paper pass which must be renewed every 30 days or turned in to get a sticker when vehicle is registered in Woodstock.
- Only day passes issued in 2016 are accepted and must be surrendered to attendant upon entry.
- Permits are NOT refundable.
- Checks are to be made payable to “Town of Woodstock.”
- Place items in appropriate containers or areas as indicated.
- Bulky loads **MUST** be assessed by attendant prior to dumping to be sure any additional assessment fees are accurate.

***Violations of these regulations may result in loss of transfer station use, including permit revocation.**

***CONTRACTORS / BUSINESS OWNERS may only dispose of their own personal household trash and bulky waste, not from their business.**

Hazardous waste is NOT accepted at the Transfer Station. The Town participates in a hazardous waste collection days; this year it is anticipated to be late spring—watch for local advertising. Please store the material safely until the collection day is held.

**** RECYCLING IN CONNECTICUT IS THE LAW ****
